[DR. MUKTI AND OTHER TALES OF WOE.epub](#)

A new novella and four new short stories from Will Self (his first since 1999's *Tough, Tough Toys for Tough, Tough Boys*), which see him return to the disturbing and ruckled terrain of his bestselling first collection. *Dr Mukti and Other Tales of Woe* is another warped window on the wibbly-wobbly world of fear and fun that Self - like some malevolent deity - has fashioned over the years.
