The Counsellor is now a major motion picture directed by Ridley Scott and starring Michael Fassbender, Penelope Cruz, Cameron Diaz, Javier Bardem and Brad Pitt. Pulitzer Prize-winning author Cormac McCarthy's original screenplay is the story of a lawyer who is so seduced by the desire to get rich, to impress his fiancée, that he becomes involved in a risky drug-smuggling venture. His contacts in this high-stakes cocaine trade are the mysterious and probably corrupt Reiner and the seductive Malkina, so exotic her pets of choice are two cheetahs. As the action crosses the Mexican border, things become darker, more violent and more sexually disturbing than he could ever have imagined. Deft, shocking and unforgettable, this gripping tale about risk, consequence and the treacherous balance between the two reveals Cormac McCarthy at his finest.
