“Have you ever thought about being more than friends?” Becca Draven’s life has changed in ways she never imagined. She has a job she loves and a wonderful group of friends, even if they keep telling her she needs a boyfriend. The last thing Becca wants is a man in her life. All they do is complicate things. Besides, she already has one — her best friend Gideon. Gideon Kohl is an architect on the rise and after several high-profile projects, everyone wants a piece of him. He’s always loved being the center of attention, but lately there’s only one person he cares to be around — his best friend Becca. And with his brother Gabriel telling him they’re perfect together, Gideon can’t help but see Becca in a different light. Can friends turn into lovers?_
