Adrian Mole is back - he's older, no wiser and possibly even funnier than before ...When we last heard from Adrian, he had fallen in love with Daisy Flowers and they had embarked on a new life with their baby, Gracie. Fast-forward four years and Adrian's life is in turmoil - again. Living in the Piggeries is far from ideal, middle age is beckoning and the ups and downs of parenthood are still plaguing him. Can Adrian bounce back from yet another existential crisis or is it too late to put things right? Sharp, witty and poignant, this is Sue Townsend at her hilarious best.
